Respondent.	§

ORDER ADOPTING MAGISTRATE JUDGE'S FINDINGS AND CONCLUSIONS

Before the Court is the petition for writ of habeas corpus under 28 U.S.C. § 2254 of petitioner Kindle Taylor, along with the November 30, 2007, findings, conclusions, and recommendation of the United States magistrate judge. The magistrate judge gave the parties until December 21, 2007, to file written objections to the findings, conclusions, and recommendation. As of the date of this order, however, no written objections have been filed.

The Court has reviewed the pleadings and the record in this case, and has reviewed for clear error the proposed findings, conclusions and recommendation of the United States magistrate judge filed on November 30, 2007. The Court concludes that the petition for writ of habeas corpus should be denied for the reasons stated in the magistrate judge's findings and conclusions.

Therefore, the findings, conclusions and recommendation<sup>1</sup> of the magistrate judge are hereby ADOPTED.

---

<sup>1</sup>A typographical error in the magistrate judge's report listed another name in the recommendation, but that section clearly applied to Taylor.

Kindle Taylor's petition for writ of habeas corpus is DENIED.  
SIGNED December 28, 2007.
